Hans Christian Andersen (1805-1875) was a Danish author and poet, most famous for his fairy tales. Most English (as well as German and French) sources use the name "Hans Christian Andersen", but in Denmark and the rest of Scandinavia he is usually referred to as merely "H. C. Andersen. " During Andersen's lifetime he was feted by royalty and acclaimed as having brought joy to children across Europe. His fairy tales have been translated into over 150 languages and continue to be published in "millions of copies all over the world". In 1829, Andersen enjoyed a considerable success with a short story entitled A Journey on Foot from Holmen's Canal to the East Point of Amager. During the same season, he published both a farce and a collection of poems. Among his best-known stories are: The Emperor's New Clothes (1837), The Snow Queen (1844), The Ugly Duckling (1844) and The Little Mermaid (1848).

Reviews of the [The Tinder Box and Other Stories \(Illustrated Edition\) \(Dodo Press\)](#) by Helen Stratton,Hans Christian Andersen

Camper

The stories have taken an object and given it a life of its own. The author has a wonderful imagination that opens up the world of all the items he describes in the stories. Each story makes you want to read to the end to get to know the characters.

Golden freddi
